Exclusive Models: Great Variety: Splendid Values

The selection of a spring wardrobe is the uppermost thought in the mind of every woman just now. You want to see the latest authoritative styles. You certainly want the best materials and finish and you likewise want the lowest prices consistent with good work. To get all these things you'll naturally come to Mosby's.

Black, navy, grey, reseda and tan—\$17.75.

\$12.98 For New Spring Suits

Worth From \$17.50 to \$20
The special price is due to a piece of good fortune such as occasionally comes our way at the beginning of a season.
A manufacturer had a lot of odd pieces of cloth left over from his spring stock that he made up into one and two suits of a kind and sold at a sacrifice. Black, navy and grey serge, grey and dark mixtures. Plain tailored 21-inch coats lined with satin; plain skirts.
Notice the high class finish on these garments.

\$5 and \$6 Silk Petticoats, \$3.98

Put them alongside any five or six dollar garments and judge for yourself whether in style, quality and finish they're not just as good. Tulle and meshalines in plain and Petican effects, deep tulle and accordion plaited flounce with an under-dust ruffle of meshaline.
The colors are navy, black, tan, light grey, jasper, wisteria and brown—\$3.98.
The "reason why" is this—A petticoat maker liked the looks of ready cash rather than have a hundred or so garments remain over from his spring stock.

New Chiffon Waists, \$5.98

Kimono style, and about the sweetest looking garments we've seen this spring.
Let us picture them briefly: They're made of black, navy and brown chiffon over a beautifully soft, rich meshaline in stripes of white and black, white and navy and white and brown.
